9. Why were you interested in participating in this training?
10. Is there anything in particular that you would like to get out of this training or any specific goal you would like to achieve? If so, please write it in the space below:
11. Are there any other comments that you would like to share?
Please answer the following questions:
<ul> <li>12. Countering violent extremism is an approach that focuses on studying the causes of radicalization.</li> <li>□ True</li> <li>□ False</li> </ul>
<ul> <li>13. Countering violent extremism should be considered as the "soft" side of counter terrorism and is not necessarily key to national security.</li> <li>True</li> <li>False</li> </ul>

<ul><li>14. "Extremism," "violent extremism," and "terrorism" are just different ways to describe the same issue.</li><li>☐ True</li><li>☐ False</li></ul>
<ul> <li>15. Push and pull factors alone do not explain radicalization: it is important to analyze the individual's personal history and their social context, as well as many other factors.</li> <li>True</li> <li>False</li> </ul>
<ul><li>16. An example of a "push factor" could be human rights violations.</li><li>☐ True</li><li>☐ False</li></ul>
17.An example of a "pull factor" is unemployment. ☐ True ☐ False
<ul><li>18. The reason why individuals become radicalized is mostly due to psychological issues.</li><li>☐ True</li><li>☐ False</li></ul>
<ul> <li>19. Gender is an important factor in understanding and countering violent extremism for both men and women.</li> <li>□ True</li> <li>□ False</li> </ul>
<ul> <li>20. Building resilience to violent extremism in youth is best achieved through technology-based programming</li> <li>True</li> <li>False</li> </ul>
<ul> <li>21. In terms of violent extremism, individual resilience and community resilience look very different and require different approaches.</li> <li>True</li> <li>False</li> </ul>
<ul> <li>22. It is possible to develop a comprehensive list of behaviors and personal conditions that automatically indicate an individual's vulnerability to radicalization. These lists should be created and widely shared to help practitioners in their work.</li> <li>□ True</li> <li>□ False</li> </ul>

23. The selection of educational initiatives for countering violent extremism should guided by whether they work to address specific drivers of violent extremism in particular context.  ☐ True ☐ False	
24. What is the difference between a counter narrative and an alternative narrative?	
25. Please explain what we mean by a "Do No Harm Approach."	

Thank you and enjoy the training!
